Nimbus on a trip

We'll meet **on Sunday 18 July 2027 at 10:00** at SuperBrugsen, Nørregade 8, 6580 Vamdrup, where there is also an OK petrol station. A full tank should be enough for the trip, which is about 70 km.

We'll be criss-crossing the Kongeå Valley – taking in the river, the bridges, interesting spots and hearing about the area's history. The trip ends at the river's mouth in the Wadden Sea – at the Kongeå lock. We'll have a look at the machinery, kick a few tyres, and some of us will no doubt tell a few tall tales

This is a full-day trip. Please bring a packed lunch and something to drink.
Registration isn't necessary, but please do let me know so I can have your email address.

Any cancellation of the trip will be announced on the Facebook page **Nimbus On the trip – Kongeåen 2027**.
